

Being Present: Spirituality, Art, and Experience in Palliative Care

A one day seminar, 2nd May 2018 in Port Macquarie

In the morning ***Spirituality and Reflective Practice Forum*** (9.30am-12nn) Kate Englebrecht will discuss spirituality in the context of caring for people at or near the end of their lives. Kate will also explore reflective practice for practitioners and how meaning is made or formed from our experiences of caring.

In the afternoon sessions (1pm-4pm) Pauline Smith (Clinical Nurse Consultant) will be speaking about her **experiences with palliative care in India**; Adele Lingard (local artist and palliative care volunteer) will share about her passion for *art in practice* when caring for the dying. You can also enhance your care by learning how to create personalised **Memory Boxes**.

Being Present: Spirituality, Art, and Experience in Palliative Care is particularly for the benefit of Palliative Care volunteers and people who are interested in becoming Palliative Care volunteers, as well as other health volunteers, volunteer managers and clinicians.
